## EXPERIENCE

### UI DESIGNER | DEVELOPER

Health Care Logistics, Inc. | Grove City, OH 2013 – Present

- Created a reusable UI component library using Vue.js and Tailwind.
- Successfully migrated company Sharepoint intranet site from 2010 on prem server to current Sharepoint Online.
- Designed, developed and maintain corporate site which is responsible for over \$30 million in revenue from medical supply sales each year.
- Create user stories, wireframes, and prototypes for all projects.
- Use Laravel and Vue.js to create user friendly and creative interfaces.
- As part of the Stat Solutions Dev team, I provide research, design, and development solutions for all of our applications.

### DESIGN & DEVELOPMENT CONSULTANT

JoeyLangley.com | 1999 – Present

- Meet with clients, gather requirements, design, and deliver a fully finished product.
- 

### DIRECTOR OF ADVERTISING | WEB DEVELOPER

Wilson National Real Estate | Hillsboro, OH 2007 – 2013

- Developed a corporate site used by real estate buyers and sellers.
- Created a modern corporate identity and provided in-house IT support.

### GRAPHIC DESIGNER | WEB DEVELOPER

RH Burton Company | Grove City, OH 2001 – 2007

- Conducted market research and designed promotions for print, internet, and conventions targeting Ophthalmologists, Optometrists, and Opticians.
- Developed and implemented the company's first ecommerce solution to allow the purchase of equipment and consumables online.
